

1 ABSTRACT OF THE DISCLOSURE

2  
3 A casino craps game includes a jackpot betting area and payout from the  
4 jackpot bets based upon pre-established consecutive outcomes. In the preferred  
5 embodiment, before a point is established, players have the opportunity to bet  
6 that the shooter will roll 4, 5, 6, and/or 7 consecutive rolls, each of which is a  
7 seven or eleven. Payoff from the jackpot wagers is made upon such  
8 occurrences.
